13. Flying the Flag for Commonwealth Day Monday 13 March 2017

The Town Council have been contacted by NALC, (National Association of Local Councils) to encourage the participation of all local councils to become involved with these important celebrations. Monday 14th March this year marked Commonwealth Day 2016. Over 900 Commonwealth Flags were raised together at 10am that morning by local Authorities (including over 200 parish and town councils) and a small number of others, throughout the United Kingdom, Channel Islands, Isle of Man, UK Overseas Territories.

This was the largest, single, raising of the Commonwealth flag in the history of the Commonwealth which bodes well for the future, especially as this event is to become an annual occasion growing in size and stature over the next few years, involving the countries and communities of all the other 52 Commonwealth countries on Commonwealth Day each year, (which always falls on the second Monday in March).
