

Report for Town Council

In 2018 there was just over £181,000 of grants awarded. These went to 32 different organisations and 1 individual.

In line with previous years, nearly 60% of grants were for the benefit of local state schools and youth organisations or projects. As well as all the local primary and secondary schools, this included Warwick Apprenticing Charities (to enable them to give grants), church youth camps, sports coaching, Friendship Project for Children and summer/holiday clubs for disadvantaged children.

A quarter of all grants could be considered as 'Care' related. Grant recipients include Myton Hospice, the Enhanced Care at Home project supported by a number of the endowed charities in town, Warwick Hospital's Birth & Babies Appeal and Dogs for Good. As well as a number of counselling groups: New Hope, Safeline, Cruse Bereavement and Relate.

We continued to support our senior citizens with grants to The Gap to help fund their Older Adults Programme, to the Town Council for the Mayor's Christmas vouchers and a local senior citizen clubs.

Elsewhere we have support the CAB and Chase Meadow Community Centre.

~~[Note: full list of 2018 recipients is attached]~~ Cllr G Quest.
