241. Review Decisions of the Local Planning Authority – reviewed – no comment.

242. Planning Applications for Warwick - schedules reviewed – no Part 2's brought forward.

The following comments were made:

W/22/1963	Warwick Castle	Warwick Town Council supports this application as it has an economic benefit to the Town.
W/22/1943LB	The Lord Leycester Hospital	Warwick Town Council supports this application, the new location is an improvement.
W/22/1961	Warwick Castle	Warwick Town Council supports this application as it has an economic benefit to the Town.
W/22/1737	Warwick Hospital	Warwick Town Council would like to raise the following concerns: We need to ascertain whether the commitment that the structure was 'temporary' is recorded anywhere. We know how close the building is to Green Lane, so I think it reasonable to ask that the lights have shades that prevent light going into Green Lane. If the application is granted there should be a restriction on the hours, it can be used.

		Are you going to be asking the WDC Environmental Health Officers to investigate the disturbances described by the residents?
