184.	<b>PLANNING APPLICATIONS FOR WARWICK :</b> Schedule reviewed The following comments were made for the applications discussed

W/26/0361	Erection of a single storey side/rear extension to form at a dining room and family. Render to be applied to external walls of the proposed extension.	1 Oken Road, Warwick, CV34 5EA	No comment
W/26/0370	New Summerhouse in garden area	4 Northgate Place, The Butts, Warwick, CV34 4SU	No comment
W/25/1752	<i>Amendments Proposed: Amended plans received on 08/04/2026 with the addition of a perspex acoustic</i>	Warwick Boat Club, Banbury Road, Warwick, CV34 4AH	Objection. The perspex barrier does not cover the full court so is this sufficient to have an impact ? An additional acoustic assessment would be able to confirm this but one has not been provided. The photos were taken in March rather than at different times in the year - need to consider seasonality and the impact this has. No mitigation has been provided for the light pollution.
W/25/1208	<i>Amendments Proposed: 07.04.2026 - Revised Plans and Supporting information to address consultee comments</i>	Former Spring Cottage, Birmingham Road, Warwick	Objection. Lack of garden and amenity space. How has the biodiversity net gain been calculated ? There is a negative ecological impact. It is not clear if this is solely for the area of development or of the watercourse value has been included. Support the Highways and Canal & River trust conditions.
W/26/0476	Erection of single storey rear extension and garage conversion	55 All Saints Road, Warwick, CV34 5NN	No comment

W/25/0728	<p><i>Amendments Proposed:</i>  <i>An Employment Land Technical Note has been received to accompany the proposal WTC objected 7.07.25</i></p>	Europa House, Heathcote Lane, Warwick, CV34 6SP	<p>Objection. Disabled and EV parking has not changed. Are the number of EV points sufficient and accessible? Overall parking spaces have reduced by 8 not increased. Pedestrian access is not via the most direct route and there is an additional need to navigate opening doors. The width of the path behind the disabled spaces would seem too narrow to accommodate this.</p>

	W/26/0150	Change of use of an existing residential garage (Use Class C3) to a dog grooming studio (sui generis).	109a Birmingham Road, Warwick, CV34 5XW	Holding objection withdrawn following receipt of noise management plan and comments from Environmental protection
