253. Review Decisions of the Local Planning Authority –reviewed

254. Planning Applications for Warwick - schedules reviewed. No part 2 applications were brought forward.

The following objections were made:

W/21/2178	152 Myton Road	Warwick Town Council objects to this application due to the bulk scale and mass proposed. The proposed increase in ridge height will increase by 3.3m approx. above the existing building height and its neighbouring properties. This is unacceptable.
W/21/2194	101 Birmingham Road	Warwick Town Council objects to this application due to the scale of the proposed garage. There is a lack of retained parking provision and no movability on site.

		The visual impact detracts from the residential property and the street scene.
