412. Planning Applications for Warwick – schedules reviewed. No part 2 applications were bought forward to discuss.

The following objections were made:

W/22/0400	Land at Goggbidge Lane	Warwick Town Council object to this application. The application is overdevelopment of the site. The Town Council also support the comments made by WCC Landscape team.
W/22/0348	Myton School	Warwick Town Council objections to this application, whilst accepting the need for improvement of the facilities of the school, we consider that, given the local disturbance already generated by the school and the uncertain calculation and reasoning of the forecast future of the daily numbers in occupation at the school, under Section 12 of the NPPF, this development does not positively contribute towards making places better for people in that it fails to take opportunities

		for improving character, the quality of the area and the way it functions.
