Dear Mr Palmer

Apologies for the delay in responding.

The Parish of St Mary Immaculate gratefully received a grant from the Town Council of £1000. This was used to part-fund the installation of curtains which cover the full width of our parish hall.

So far, the curtains have proved to provide much needed additional privacy and also sound deadening qualities, both of which are an advantage to the community groups which use the facility on a weekly basis.

Yours Sincerely

Fr Patrick Mileham, Parish Priest.
