## *Warwick Classic Car Show*

---

***Warwick Classic Car Show*** goes from strength to strength with 2018 seeing the 9th consecutive show held in the Market Place in August and the first year under the stewardship of the Warwick Court Leet.

*Early arrivals rolled in at 7am eager to secure a parking space. The event is free to visitors and to all owners of classic cars built before 1990, the success of show means demand outstrips supply, with the Market Place normally full to capacity before 10am.*

*The show saw a regular flow of classic cars come and go throughout the day with many choosing to stay all day into the late afternoon -early evening. Numbers circa 300 classic cars with 2000 visitors in the town centre over the course the day.*

*We look forward to the 2019 show which celebrates the 10th anniversary - Sunday 11th August.*
