

ANNUAL TOWN MEETING 2019
THE WARWICK PROVIDENT DISPENSARY TRUST

The Charity has slightly in excess of £20,000 per annum available for distribution. Grants are made to provide health related support for Warwick residents. About half of the grants are made directly to individuals. Other grants are made to local or national organisations to support their work in Warwick. Anyone who wishes to be considered for a grant should contact the Clerk, Mr C Houghton, Moore and Tibbets, High Street, Warwick.

I have enjoyed serving as a Trustee since being nominated by Warwick Town Council in 2012.
